Thousands turned out for the Salvation Army's Hope in the City breakfast at the Winnipeg Convention Centre this morning.

The event launched the Salvation Army's annual Christmas Appeal, which hopes to raise more than \$335,000 to help Winnipeggers in need.

Guest speaker at the 4th annual event was Frank O'Dea, co-founder of the Second Cup coffee empire and Order of Canada recipient.

O'Dea told the audience his inspirational story of despair and recovery, which started on the streets of Toronto as a homeless, alcoholic teenager.

"The Salvation Army was there for me when I needed them. It's really important that I come back here and support them when they need us," said O'Dea.

The organization began its work in Canada in 1882. The international Christian organization offers practical help to children and families in need, including food and shelter.
